 Office of Pesticide Programs
 Biopesticides and Pollution Prevention Division
 (7511C) 401 M St., S.W.
 Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

62637-9

11/21/05

Term of Issuance:

Unconditional

Name of Pesticide Product:

BMP 123 Primary Powder

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Becker Microbial Products, Inc.
 11146 NW 69th Place
 Parkland, FL 33076

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above, subject to the terms listed below. This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain registration of your product. The specific terms are as follows:

1) Conduct the following production quality control measures to detect contamination or changes in the parent strain:

a) Spore preparations of *Bacillus thuringiensis* Berliner shall be produced by pure culture fermentation procedures with adequate quality control measures during production to detect any changes from the characteristics of the parent strain or contamination by other microorganisms.

Janet L. Andersen, Director, Biopesticides
 and Pollution Prevention Division (7511C)

b) Each lot of spore preparation, prior to the addition of other materials, shall be tested by subcutaneous injection of at least 1 million spores into each of five laboratory mice weighing 17 grams to 23 grams. Such test shall show no evidence of infection or injury in the test animals when observed for 7 days following injection.

2) Maintain records of the quality control tests described in #1 above for a period of at least five years from the date each batch is released for production.

The revised Confidential Statement of Formula (basic formulation, dated 10/24/05) submitted during the reregistration process is acceptable and has been added to the product file. A copy of the approved label for the product is included for your records.

Sincerely,

A handwritten signature in black ink, appearing to read "Janet L. Andersen". The signature is fluid and cursive, with a long horizontal stroke at the end.

Janet L. Andersen, Ph.D., Director
Biopesticides and Pollution Prevention
Division (7511C)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION: Harmful if inhaled. Avoid breathing dust. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Mixers / loaders and applicators must wear a dust / mist filtering respirator meeting NIOSH standards of at least N-95, R-95, or P-95. Repeated exposure to high concentrations of microbial proteins can cause allergic sensitization.

ENVIRONMENTAL HAZARDS: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a national pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to apply this product in a manner inconsistent with its labeling.

Follow manufacturer's instructions and specifications for formulating registered products only. This manufacturing use product is intended for formulation into end-use products for the following uses: terrestrial food and nonfood crops, greenhouse food and nonfood crops, forestry, and domestic outdoor use. End-use products formulated with BMP 123 Primary Powder must be registered by the EPA.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Reclose containers of unused BMP 123 Primary Powder. Store in a cool, dry place.

Pesticide Disposal: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Completely empty liner by tapping sides and bottom to loosen clinging particles. Empty residue into manufacturing equipment. Dispose of liner in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke. Perforate or crush drum and dispose of in the same manner. Do not reuse empty liner or drum.

NOTICE TO USER

Seller makes no warranty express or implied, of merchantability, fitness or otherwise concerning the use of this product other than as indicated on the label. User assumes all risks of use, storage or handling not in strict accordance with label instructions.

(Optional Text) In case of emergency endangering life and property involving this product, call collect, day or night, (954) 345-9321.
